Dear Mr. Venglar,

In regards to the above captioned wells, I am returning your applications (C-101s) as being incomplete. As we discussed over the phone on 5/24/01 and yesterday on 9/04/01 in order to approve these applications, a land plat (C-102) must be included for these applications to be reviewed and processed. Furthermore, you have indicated to me yesterday that Jack J. Grynberg has had no 'immediate' intentions of reentering these wells.

Respectfully yours,

Bryan Arrant
