Gentlemen:

We hereby acknowledge receipt of the completion reports on the subject well.

However our records indicate that you could not get surface casing in the first hole and you skidded the rig and started over. Therefore you must file Form C-103 with all of the details of plugging the first hole and Form C-101 and C-102 for the second hole which will be the #1-Y well.

Our records also indicate that you were advised of the necessary reports back on June 17, 1982.

Please take care of this immediately.

Sincerely,

A handwritten signature in cursive script that reads "W.A. Gressett".
