

INSTRUCTIONS

This form is to be filed with the appropriate District Office of the Division not later than 30 days after the completion of any newly drilled or deepened well. It shall be accompanied by one copy of all electrical and radio activity log run on the well and a summary of all recorded tests conducted, including drill stem tests. All depths reported shall be measured depths. In the case of artificially filled wells, true vertical depths shall also be reported. For multiple completions, Items 30 through 34 shall be reported for each zone. The form is to be filed in quadruplets except on state land, where six copies are required. See Rule 1105.
