Gentlemen:

This office is in receipt of Division Form C-103 dated September 22, 1982 - covering the running and cementing of the 8 5/8" and the 4 1/2" casing.

As of yet we have not received a C-103 on the running of the 13 3/8" surface casing.

Further we are returning your C-103 so that you might show waiting on cement time, casing test, length of casing test and pressure used during casing test and length of time pressure was held, as prescribed by Division Rule 107.

Very truly yours,

A handwritten signature in cursive script that reads "Leslie A. Clements".
