Subject: Redman "OY" State #6, SCR-347
Section 26-T4S-R24E, Chavez County, New Mexico

Dear Sir:

The subject well produces water. Therefore, we are requesting your approval of our disposal method pursuant to N~~Y~~L-2B.

The well has produced 1644 barrels of water since initial production in November 1982. The well has produced 128 barrels of water in 1986.

All produced water will be stored in the 210 barrel condensate storage tank now on location. When the tank reaches capacity, the water will be transported by commercial truck to our disposal well, Federal "HJ" #1, an approved SWD well.

Table I shows data pertaining to the disposal well. Table II shows results of an analysis of the produced water.
