Conversion or Recompletion Report and Log (see 1))

13. Describe Proposed or Completed Operations (Clearly state all pertinent details, and give pertinent dates, including estimated date of starting any proposed work. If well is directionally drilled, give subsurface locations and measured and true vertical depths for all markers and zones pertinent to this work.)

Sales point off lease to Run gas Line to Transwestern's purchase
meter due to economics.

Sales meter at Sandres Pet Location NE SW Sec 16 T7S R26E

Permisson Request for off-lease gas sales

Reason for Request is that this is the spot where Transwestern
would buy gas from, operator's responsibility to go to this sales point.

(talked to Vic Coats (PET, PRA-BLM), he said three wells on the lease
go to individual allocation meters at a central location and a
separate line run to the sales meter. Peter M. Chester
