13. Describe Proposed or Completed Operations (Clearly state all pertinent details, and give pertinent dates, including estimated date of starting any proposed work. If well is direction drilled, give subsurface locations and measured and true vertical depths for all markers and zones pertinent to this work.)*

Yates Petroleum Corporation respectfully request approval for off lease measurement.

The gas from the Powers OL Federal #9 is measured off lease at the Sales meter located on the Powers OL Federal #3, Section 14-T6S-R25E.

The off lease measurement of production is in the interest of conservation and economic feasibility, and will not result in reduced royalty or improper measurement of production.

14. I hereby certify that the foregoing is true and correct
