13. Describe Proposed or Completed Operation (clearly state all pertinent details, including estimated starting date of any proposed work and approximate duration thereof. If the proposal is to deepen directionally or recompleat horizontally, give subsurface locations and measured and true vertical depths of all pertinent markers and zones. Attach the Bond under which the work will be performed or provide the Bond No. on file with BLM/BIA. Required subsequent reports shall be filed within 30 days following completion of the involved operations. If the operation results in a multiple completion or recompletion in a new interval, a Form 3160-4 shall be filed once testing has been completed. Final Abandonment Notices shall be filed only after all requirements, including reclamation, have been completed, and the operator has determined that the site is ready for final inspection.)

Yates Petroleum Corporation respectfully requests permission to vent approximately 30 mcfpd for a period of 120 days±. At present time, we are waiting on a pipeline right of way so that we can begin laying the pipeline to market the gas.

It is approximately a 1/4 mile to an existing pipeline. Expect right-of-way paperwork within 30 days.

Well was placed into production on May 18, 2001.

14. I hereby certify that the foregoing is true and correct
Name (Printed/Typed)
