Gentlemen:

As of the above date we have not received an answer to our letter dated Sept. 26, 1988 regarding the above captioned wells. The last reports we received on these wells was in 1985. Please submit all the necessary reports to update our files. We need a completion report, deviation survey and logs. If the well was plugged and abandoned submit the appropriate reports.

Thank you for your prompt attention to this matter.

Sincerely,
