RE: Kilmer # 1 I-23-7-26 API 30-005-62617

Violation of Rule 201:
Wells to be properly abandoned.

Dear Sirs:

This second directive is to notify you that this well is still in violation of Rule 201.

On 29 January, 2001 a letter was sent notifying you on the violation of Rule 201. An inspection of the files on 15 February, 2002 found no action has been taken.

This well must be brought into compliance on or before 15 March, 2002.

To bring the well into compliance you have 3 options:

1. Put the well into production.
2. T.A. the well.
3. P. A. the well.

Failure to bring this well into compliance by the date stated will cause further enforcement. Such enforcement can be an order to Show Cause why the bond should not be forfeited, the well plugged and civil penalties assessed.

Sincerely,

Van Barton
Field Rep. II
