RE: First Date of Gas Production:
Osage "33" Com. #1
Township 6 South of Range 26 East, NMPM
Section 33: NE $\frac{1}{4}$
Chaves County, New Mexico
LC-068127

Gentlemen:

This letter is to advise you that Bran Oil Corporation, Operator of the captioned gas well, formally began producing gas from the captioned well on October 12, 1988. For your information, we enclose copies of State Form 104, which is a request for authorization to transport gas. Eighty acres out of Federal OGL SN LC-068127 encompassing the E $\frac{1}{2}$ NE $\frac{1}{4}$, Section 33, Township 6 South Range 26 East, NMPM, have been communitized with fee acreage encompassing the W $\frac{1}{2}$ NE $\frac{1}{4}$ of said section to form the State prescribed spacing unit of 160 acres. We are awaiting the approval of said communitization agreement by the Roswell office of the BLM. Thank you for your time and consideration in this matter.

Yours very truly,

BRAN OIL CORPORATION
