Dear Mr. Beardemphl:

I am unable to consider your application for an unorthodox gas well location at this time. Division General Rule 104 F.(I) does not allow administrative authorization for such circumstances that exist for the subject well. I will therefore set this matter on the next available Hearing Examiner's docket schedules for July 12, 1989.

If you should have any questions concerning this matter, please contact me.

Sincerely,

Michael E. Stogner
Chief Hearing Officer/Engineer
