Dear Sir:

We are placing your Application for Permit to Drill the #1-Dandelion "AFW" Fed. Com. well in our closed file as it was approved over one year ago, and the well has not been drilled. The proposed well was located in Sec. 10, T.9S., R.26E., with lease number NM-76964.

You will need to reapply if you should decide to drill at a later date.

If you have any questions concerning this action, please contact Peter W. Chester at 624-1790.

Sincerely,

Sandra L. Porenta  
Area Manager
