Yates Petroleum Corporation respectfully requests permission for off-lease sales and measurement for the captioned well. Due to economic conditions, the gas purchaser (Transwestern) required Yates to lay a pipeline from this well to another well close to this location. The two wells ARE NOT commingled.

The measurement station for the Catterson SS Federal #4 is located at the Blanco #2 location, located in the NWNE of Section 12-T7S-R25E, Chaves County, New Mexico. Transwestern's meter number for the Catterson SS Federal #4 is 20174.
