Chaves County, New Mexico
Fed OGL SN LC-068127

Dear Sir:

In reference to your correspondence dated May 16, 1989, concerning water disposal from the above captioned well, this letter is to inform you that any produced water would be transported by truck from the well to an approved disposal location at the White Lakes Ranch area by Jim's Water Service of Artesia, New Mexico.

Should you require anything further, please feel free to call.

Yours very truly,

BRAN OIL CORPORATION
