Dear Sir or Madam:

We are enclosing a completed form C-105, copies of the deviation survey and copies of all logs run on the Osage "33" Com. #2 well located in the NW $\frac{1}{4}$ Section 33, T6S-R26E, NMPM, Chaves County, New Mexico. This should complete all required paperwork for said well to satisfy NMOCD requirements and also should secure the release of the plugging bond (Bond No. OCD 216).

Should you require anything further, please advise.

Yours very truly,

BRANEX RESOURCES, INC.
