NW/~~SW~~ Section 21, T9S, R25E
Chaves County, New Mexico

Gentlemen:

Abo Petroleum Corporation is hereby submitting application for produced water from the above captioned well pursuant to NTL-2B, Section II, and requests your approval.

The above well produces \pm 2 BWPd from the Abo formation. The water is stored in a 70-barrel fiberglass tank. When the tank fills, the water is transported by Jim's Water Service, located approximately 8 miles east of Artesia, NM, to Yates' Pathfinder AFT State #13, an approved SWD by Order No. SWD-415. The injection interval is: 6442-6729' Fusselman formation.

If additional information is needed, please advise.

Yours truly,

Juanita Goodlett
Production Supervisor
