Application to Drill

Artesia, N.M. 88211-0719

To Whom It May Concern:

Primero Operating, Inc. hereby submits 6 copies of the C101 and C102 forms requesting permit to drill our Hi-Way State #1 well.

This lease expires July 1, 1994 so we need to commence drilling operations before that date. If there is a problem with the application which would slow down the permit please call me as soon as possible.

I will get a one well cash bond for this well this week.

Thank You
