Dear Mr. Carr:

Reference is made to your letter dated March 24, 1995 on behalf of the operator, Yates Petroleum Corporation, requesting an amendment to said Order No. R-9976-A and approval of the Catterson "SS" Federal Well No. 7 located at a new and unauthorized unorthodox infill gas well location in Unit "I" of said Section 21.

On April 12, 1995 the Division received an objection from Tide West Oil Company, an off set operator, to this request. Therefore this matter will be set for hearing before an Examiner on the next available docket scheduled for May 18, 1995.

Should you have any additional questions or comments concerning this matter, please contact me at (505) 827-8185.

Sincerely,

Michael E. Stogner  
Chief Hearing Officer/Engineer
