13. Describe Proposed or Completed Operations (Clearly state all pertinent details, and give pertinent dates, including estimated date of starting any proposed work. If well is directionally drilled, give subsurface locations and measured and true vertical depths for all markers and zones pertinent to this work.)*

~~Yates Petroleum Corporation wishes to amend Exhibit B, Section II, #4, C, to the approved Application For Permit to Drill for the captioned well to allow for the use of a plastic pit lining of 6 mil rather than 9 mil.~~

Yates Petroleum Corporation wishes to amend Exhibit D. Section I, #4. to read: Surfacing: The access road and well pad will not be surfaced prior drilling operations. In the event that a need for the access road or well pad to be repaired is identified by the Authorizing Officer the material necessary for these repairs shall be brought in and used for the purpose of maintaining traffic within the right-of-way and well pad area.

14. I hereby certify that the foregoing is true and correct
