12. Describe Proposed or Completed Operations (Clearly state all pertinent details, and give pertinent date, including estimated date of starting any proposed work) SEE RULE 1103.

Yates Petroleum Corporation respectfully requests permission to make the following changes to the APD for this well.

Change surface casing design due to potential lost circulation under the surface casing

From:

Hole Size	Casing Size	Casing Weight/feet	Setting Depth	Sacks of Cement	Estimated TOC
12 1/4"	8 5/8"	24#	600'	275 sx	Surface

To:

14 3/4"	11 3/4"	42#	600'	400 sx	Surface
11"	8 5/8"	24#	1,200'	250 sx	500'

The 8 5/8" will only be set if lost circulation is encountered. TOC for the 5 1/2" casing will be 4,200' in either case.

Verbal approval for this Sundry was given by Bryan Arrant, OCD on 11/1/02

Thank you,

I hereby certify that the information above is true and complete to the best of my knowledge and belief.
