13 Describe Proposed or Completed Operation (clearly state all pertinent details, including estimated starting date of any proposed work and approximate duration thereof.
If the proposal is to deepen directionally to recomplate horizontally, give subsurface locations and measured and true vertical depths of all pennent markers and zones.
Attach the Bond under which the work will be performed or provide the Bond no. on file with BLM/BIA. Required subsequent reports shall be filed within 30 days
following completion of the involved operations. If the operation results in a multiple completion or recompletion in a new interval, a Form 3160-4 shall be filed once
testing has been completed. Final Abandonment Notices shall be filed only after all requirements, including reclamation, have completed, and the operator has
determined that the site is ready for final inspection.)

Yates Petroleum Corporation respectfully requests permission for an exemption on
the special requirements, section IX of the APD. We would like to request the
fencing be exempt due to the fact that this well is not located in the public
recreation area that some of the other wells will be located.
We also are requesting a variance of the low profile tanks, and install 15' tanks.
