Dear Mr. Haschke:

On August 11, 1958, we received Form C-102, your notice to plug the well you drilled in DeBaca County, in NE SW Section 14-Township 2S-Range 28E. Since that time, we haven't received any forms.

Will you please send us Form C-103 on all string of pipe you ran and on your plugging. I am sending instructions as to how plugging should be finished.

*We haven't received any
info from this*

Yours very truly,
