Dear Sir:

On August 11, 1958, we received Form C-102, your notice to plug the well you drilled in DeBaca County, in NE SW Section 14, Township 2S, Range 28E. Since that time, we haven't received any forms except your C-105 Well Log.

Will you please send us Form C-103 on all Strings of Pipe you ran and on your plugging.

Please take care of this as soon as possible. We wrote you a letter on November 28, 1958, requesting these forms.

Read Rule 1106 (b) Report on Plugging of Well, in the New Mexico Oil Conservation Commission Rules and Regulations. (Page 45)

Yours very truly,

OIL CONSERVATION COMMISSION

Supervisor, District No. 2
