State well No. 1,
Sec.2, T1N, R20E,
Debaca County, N.M.

Dear Mr. Sutton:

We are returning Forms C-101(Notice of Intention to Drill) on the above captioned well. Before this form can be approved we need to know, if productive, how much casing was run, what size & weight, and how much cement will be used. At least 100 sacks will need to be used if productive.

Very truly yours,

M. L. Armstrong
Supervisor, District No. 2
