Gentlemen:

I understand that one Robert E. Sutton was granted authorization to commence an oil and gas well on lands in Section 2, Township One North, Range Twenty East but he failed to complete the drilling of that well.

I shall appreciate your advising me at your earliest convenience as to whether or not an oil and gas well was drilled to a depth of 5000 feet, granite or commercial production, on or before December 31, 1962, within the following described area of De Baca County, New Mexico, to wit:

Sections 2, 11, 12, and 14
T. 1 N., R. 20 E., N.M.P.M.

Sincerely yours,

Harry Morris
