Re: W.C. Welch

State #1-M 28-2S-26E

Please check & advise if it would be alright to
 consider subject location as an abandoned location
 per 90 day grace period.

Thanking You,

BY A. K. Williams

11-22-68

*This well is around 800'
 deep, and we have contacted
 the operator several times
 for a report but so far
 we have not been successful.
 How sure we haven't given
 up yet.*
