Attention: Mr. A. A. Cressett

Gentlemen:

Continental Oil Company drilled the No. 1 State "00" well in NE 1/4 sec. 8, T. 7N., R. 24E., DeBaca County, New Mexico, on a state lease, during November 1971. The well was reportedly plugged as a dry hole on or about December 5, 1971.

If possible, we would appreciate your sending us a copy of the completion report for this well so that our file for this case may be closed.

Sincerely yours,

Jerry H. Long
District Engineer
