SUBJECT Bfm - lease and right of oil well Co

DATE 10 / 9 / 82

MESSAGE In May of this year Hunt oil Co had some Fed. lease in my Ranch - Without permission they come in survey, drove around in my pasture, thro livestock, during lambing season - set their rig up and drilled a well - some barrels - they moved the equipment thro state land on another ranch. They didn't offer or give me a penny for this trouble - they went off and left the pits open and trash. Do I have any recourse?
