Gentlemen:

Our office has received the report of the plugging of the above captioned well.

When a well is plugged and abandoned, the filing procedures are the same as if it was completed as a producer.

Our file contains only your intent to drill. We will need C-103's showing when all casing was run, C-105, Completion Report, Deviation Survey and a copy of all logs that have been run on the well.

Sincerely,

Les A. Clements
District Supervisor
