APPLICATION OF THE NEW MEXICO OIL CONSERVATION DIVISION THROUGH THE SUPERVISOR OF DISTRICT II FOR AN ORDER REQUIRING ROCKY MOUNTAIN RESOURCES, INC. TO PROPERLY PLUG ITS BORDER HILLS STATE WELL NO. 1 LOCATED IN UNIT O OF SECTION 17, TOWNSHIP 11 SOUTH, RANGE 20 EAST, LINCOLN COUNTY, NEW MEXICO, AUTHORIZING THE DIVISION TO PLUG SAID WELL, AND ORDERING A FORFEITURE OF THE PLUGGING BOND, IF ANY.

CASE NO. _____

APPLICATION FOR PLUGGING AND FORFEITURE OF BOND

1. Rocky Mountain Resources, Inc. (the "Operator") is the operator of a well, the Border Hills State Well No. 1, located in Unit O of Section 17, Township 11 South, Range 20 East, Lincoln County, New Mexico.

2. Operator has posted a surety bond in the amount of \$7,500 for said well in compliance with Section 70-2-14 NMSA 1978 and Rule 101 of the Rules and Regulations of the Oil Conservation Division, which bond is conditioned upon compliance with the statutes of the State of New Mexico and the Rules and Regulations of the Division with respect to the proper plugging and abandonment of the wells operated by Operator. United States Fidelity and Guaranty Company is surety on the bond, Bond No. 56-0130-13356-82-9.

3. The subject well has not produced hydrocarbon or carbon dioxide substance or has otherwise been inactive for more than one year or is no longer usable for beneficial purposes and no permit for temporary abandonment has been requested by the Operator and approved by

the Division.

4. By virtue of the failure to use the well for beneficial purposes or to have an approved current temporary abandonment permit, the subject well is presumed to have been abandoned and is required to be plugged.

5. By authority of Section 70-2-14 NMSA 1978, the Rules and Regulations of the Division require wells which are inactive for more than one year or are no longer usable for beneficial purposes to be properly plugged.

6. Demand has been made or attempted to be made upon the Operator to either place the subject well to beneficial use, obtain approval for temporary abandonment or properly plug and abandon the same and the Operator has failed to do so.

WHEREFORE, the Supervisor of District II of the Oil Conservation Division applies to the Director to enter an order:

A. Determining whether or not the well should be plugged in accordance with a Division-approved plugging program.

B. Upon a determination that said well should be plugged, directing Operator to plug said well.

C. Further ordering that if Operator fails to plug and abandon said well as ordered by the Director, that the Division be authorized:

i. to plug said well;

ii. to declare forfeit on said bond, if any, and to take such action to

foreclose on said bond, and

iii. to recover from the Operator any costs of plugging said well in excess of the amount of the bond, if any.

D. For such other and further relief as the Division deems just and proper, including the assessment of fines.

RESPECTFULLY SUBMITTED,
