Re: Murphy #1
Sec. 31-20S-11 W - Grant County

Dear Bob:

On October 3, 1951, Mr. C. D. Murphy, field agent for the New Mexico Drilling Syndicate promised me that he would have his geologist supply you with adequate samples from the above captioned well. Since we are trying to close the file on this well, I would like to determine for sure if these have been supplied you.

I would appreciate your advising me at your earliest convenience.

Very truly yours,

ELVIS A. UTZ,
Gas Engineer
