Dear Mr. Berry:

I just received this Bond application from Cooper. Have filled it out, also bond copy as furnished by State Dept. which I have filled in so far as I can and enclosed herewith. Am sending to you so these matters can be expedited. Also the Notice of Intention as soon as issued. Yarborough will know. Tell Cooper to send his bill for Bond. I do not know what they charge or name of his bonding firm. Just mailed him check today for \$202.50.

Sincerely,

C. W. Holzner

*I used Colusa Remedy Co
in this as the Empire oil & gas
has been inactive and both
companies owned by one family.
Entirely with Colusa Paying
the both on this well.
