Gentlemen:

The required Forms C-105 were resubmitted on January 27, 1973, with the additional information you requested. As of this date, we have not received an approved Form C-103 in order to cancel our Performance Bond.

If any additional information regarding this well is needed, please advise.

Very truly yours,

OFFICE

Dear Warren:

The Oil Conservation Commission for the State of New Mexico has advised the bonding company that they cannot release the captioned bond until the well has been inspected by their district office in Artesia. We are sure this has been ordered but perhaps a letter from you would speed things up a bit.

Yours truly,

Blois Bridges
