Hidalgo, County, N. M.

Gentlemen:

On April 30, 1975, a plugging form was mailed to your office, to be filled out and returned upon completion of the plugging operations of the subject well.

Several months have passed with no response to the request, would you please advise this office in the near future as to the status of the above mentioned P&A well?

Yours truly,

OIL CONSERVATION COMMISSION

Lech Bergstrom
Oil & Gas Inspector
