Re: Ramsey 25 St Ut #1
P-25-27S-17W Hidalgo Cnty.

Mr. Chen:

This letter is to advise you as to the status of the subject well which was recently plugged.

The operator has been instructed to let the mud in drilling pits evaporate.

The pits will be filled before final inspection is made for approval on location cleanup.

Sincerely,

A handwritten signature in cursive script that reads "Johnny Robinson".
