RE: Forms C-101 and C-102
Application to Drill
"Playas Valley Unit"
Hidalgo County, New Mexico

Dear Mr. Williams,

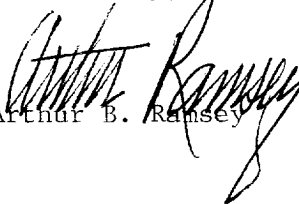

Attached find Application for Permit to Drill, Form C-101 and Survey, Form C-102 (6 copies) covering the State Ramsey #25-2 well.

In line with our telephone conversation, I have delayed filing this until your people have inspected the location of the first well so the single well bond can be transferred from the No. 1 well to the No. 2 well.

I talked with Dianne Richardson yesterday and she had received the Insurance Company's notices that it had been renewed.

I trust you will approve this application promptly so we can protect our State Unit. After June 28 I can be reached at 505 548-2577 which is a house trailer in Animas where I will be staying during the drilling of this well.

Yours truly,

Arthur B. Ramsey
