Gentlemen:

Commission Form C-101, Application For Permit to Re-enter the subject well, was approved on July 14, 1967, and to date no additional forms have been received. However, we understand that the well was indeed re-entered, perforated and treated. Therefore, please file Form C-103 giving a detailed report of all work that has been performed, the current status and future plans for the well.

If there are any questions on this matter, do not hesitate to call upon me.

Very truly yours,

OIL CONSERVATION COMMISSION
