Re: #1 New Mexico State
NW NE Sec. 25-32S-16W
Hidalgo County, New Mexico

Gentlemen:

In reply to your letter of February 23, 1968, attached is Form C-103 showing the work performed by Mr. Guy I. Warren. Upon unsuccessful re-entry of the subject well, the lease and well were assigned to Mr. M. T. Hall in August, 1967. Mr. Hall submitted his bond as operator of the New Mexico State #1. Mr. Guy I. Warren's bond was released by a letter dated August 16, 1967, from Mr. A. L. Porter, Jr., of the Oil Conservation Commission.

I wish to apologize for the late filing of the attached form; however, upon conclusion of Mr. Warren's work, there was the possibility for further work on the well by Mr. Hall.

I would appreciate your advising if there is further information that we should furnish.

Yours very truly,

Burlin E. Freeze
