Re: \$5,000 One-Well Plugging Bond,
M. T. Hall
NW/4 NE/4 Section 25, Township
32 South, Range 16 West

Dear Mr. Hall:

On August 8, 1967, this office accepted the above-captioned bond with the understanding that it was to cover a well previously operated by Guy I. Warren. It was further understood that Form C-104 showing change of ownership of the well from Guy I. Warren to M. T. Hall was to be filed immediately. Since said Form C-104 has not been received we are enclosing a set and request that it be executed and filed with our District Office at Artesia.

We have now received a final report from Guy I. Warren and therefore expect from you the Change of Ownership Form together with a progress report on your operation.

Very truly yours,

I. R. TRUJILLO
