Gentlemen:

You will find enclosed the signed forms in connection with the above captioned well.

Since taking over the well there has been no work done, however it is my plan to attempt to try and re-enter it again for another completion test, in the near future.

As soon as arrangement's have been completed to do this I will file the necessary papers with you.

Thanking you for your interest in this and if there is any further information that I can furnish please advise.

Yours sincerely,

*M. T. Hall*
