Midland, Texas

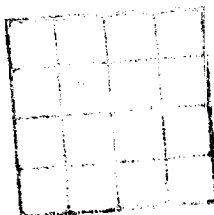

Re: L. C. 061819

Gentlemen:

Receipt is acknowledged of your "Notice of Intention to Drill" dated June 6, 1950, covering your No. 1 Heard well on the subject land in the SW 1/4, section 22, T. 68., R. 21., Wildcat Area, Lincoln County, New Mexico.

Your proposed work is hereby approved subject to compliance with the provisions of the "Oil and Gas Operating Regulations" revised May 29, 1942, a copy of which will be sent you on request, and subject to the following conditions:

1. Drilling operations so authorized are subject to the attached sheet for general conditions of approval.
2. Furnish U. S. Geological Survey a sample description from the base of the salt to the total depth.
3. 16" pipe is to be cemented throughout the entire length. 13-3/8" pipe to be cemented with not less than 50 sacks. 7" pipe to be cemented with not less than 50 sacks.

Very truly yours

P. T. McGrath
P. T. McGrath
Acting District Engineer
