Dear Mr. Macey:

In your letter to us of February 13, 1956, you agreed that as soon as Mr. Dasabe or Mr. Rupe agreed to convert the captioned well to a water well and Mr. Ryberg assumed the responsibility for the well, we could be relieved from our bond. For this purpose, you furnish certain release forms to be signed by either Mr. Dasabe or Mr. Rupe.

We have tried very hard to contact one of these men but have been unable to do so. Our investigation showed that the Mr. Rupe of this bond had a brother named Charles in the Rehabilitation Center, Veterans Hospital, Okmulgee, Oklahoma, but this Mr. Charles Rupe is no longer at this hospital and they cannot give us his present address.

We are still trying to get the information you require but are not having any luck and if you have any other suggestions, we shall appreciate hearing from you.

Yours very truly,
BOND DEPARTMENT
