Gentlemen:

On April 14, 1960, the location of the above-captioned well was checked and it was noted that there is no marker on the location. It will be necessary for you to erect a marker, indicating the location and quarter-quarter section as follows:

SE $\frac{1}{4}$ NE $\frac{1}{4}$ Section 19-8S-14E

Please see that this work is completed as soon as possible so that forms C-103 and C-105 can be approved.

Very truly yours,

OIL CONSERVATION COMMISSION
