Plugging Spencer Well No. 1

Dear Mr. Kirby-Smith:

Reference is made to your letter of May 19, 1960, relative to the above-captioned subject. Your letter fully clarifies the situation and resolves the misunderstanding that had arisen concerning this matter.

Since American Employers' Insurance Company is, and has been, prepared to plug the subject well, you can, of course, disregard my letter of May 9, 1960, to your Mr. Adair.

I am sorry that this misunderstanding developed, and I certainly appreciate your efforts in straightening the matter out.

Very truly yours,

OLIVER E. FAYNE  
Special Assistant Attorney General
