Dear Sir:

Very truly yours,

W. A. R. S.

W. A. R. S.

W. A. R. S.

Enclosed for you are two copies of a report on the results of the survey of the biological resources of the State of California, made by the Biological Survey of the Department of the Interior, during the years 1937-1943.

The report is divided into two parts, the first of which deals with the general biological resources of the State, and the second with the more detailed results of the survey of the biological resources of the State.

The report is a valuable contribution to the knowledge of the biological resources of the State, and is of great interest to all those concerned with the conservation of the natural resources of the State.

I am sure that you will find the report of great interest and value, and I am sure that you will be glad to have it.

Very truly yours,
W. A. R. S.
