Dear Sir:

I am writing you with regard to your Ralph Pearson Well No. 1, Unit K, 12-9S-14E, Lincoln County, New Mexico. We have not received any forms on this well since the notice of intention to drill. I have asked Mr. Bailey for these forms, but have not received them.

You must submit three copies of form C-103 on each string of pipe you ran, stating how much pipe, the size, and how much cement was used. We also need five (5) copies of form C-105 (Well Log).

Since this well should be plugged at once, please submit three (3) copies of form C-102, stating how you intend to plug this well.

Very truly yours,
