Gentlemen:

Enclosed please find your approved copy of Form C-104 reporting a change in ownership on the subject well. Said report states that you are preparing to plug and abandon the well.

Please be advised that prior to commencing plugging operations, you must submit for approval, Form C-103 outlining your proposed plugging procedure.

Further, a representative of this office may be present to witness the plugging operations.

If you have any questions concerning this matter please feel free to call upon me.

Sincerely yours,

OIL CONSERVATION COMMISSION
