Luna County, NM

Gentlemen:

To date this office has not received progress reports on the subject well as required by Division Rule 1103.

Said Rule states in part that within 10 days following the commencement of drilling operations, the operator of the well shall file a report thereof on Form C-103 in triplicate. Such report shall indicate the hour and date the well was spudded.

Also within 10 days following the setting and cementing of each string of casing Form C-103 shall be filed reporting the amount and weight of casing, the amount and type of cement and additives used, top of cement behind the casing, WOC time pressure test and results of same.

If you have any questions concerning this matter please feel free to contact me.

Sincerely,

A handwritten signature in cursive script, appearing to read "W. A. Gressett".
