Dear Mr. Gressett:

Now that I have tried to work up the reports for you on my #1 West Dog Canyon Unit, Otero County, New Mexico, I find that I have no copies at all of forms 103 and 105 which are needed for this purpose. Would you please send me a small supply of these forms in order that I may go ahead and get this work completed for you. With best wishes,

Very truly yours,

W. W. West
